## Where will your career take you?

*Join our championship team...*

At Avenue Salon Spa we put a lot of time, effort and insight into creating a winning look for our valued guests.

We put as much effort into creating a positive, rewarding professional growth atmosphere for our entire team.

We nurture and believe in our team.

That's because we know that ***your success means our success.***

If you wish to develop your full potential as a beauty professional, there's no better place than **Avenue Salon Spa**. In addition to developing your artistic and technical skills, we are committed to helping you develop other critical skills such as people and communication skills, client interaction skills, customer service, client retention and much, much more.

If you're committed to maximizing your full learning and earning potential, and are committed to developing excellence within yourself, we invite you to visit **Avenue Salon Spa** and fill out an application for an interview.

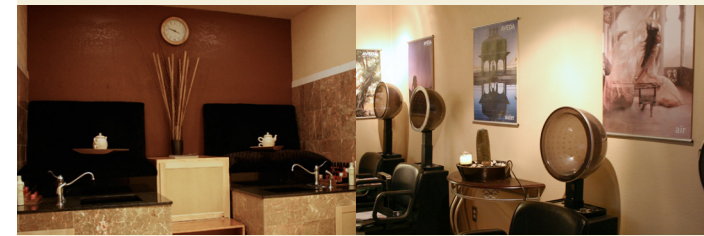

***Find out how a professional work atmosphere can make all the difference!***

## Our Mission

AVEDA

It is our mission at Avenue Salon Spa to provide all our guests with a remarkable experience while performing our business with integrity and deep knowledge of our profession. We are committed to providing superior service in our products to each individual guest with added value. Through our friendly customer service and life-long education we will strive to be the number one choice for our guests' salon spa needs while setting the standard in salon environmental responsibility.
